## Hunter Valley Wine Tours with a Difference

Wine tasting tours, chauffeur driven in style perfect for those romantic weekend breaks, getaways and special occasions.

For a winery tour with a difference there is no better way to sample some of the Hunter Valley's world renowned wines than in the regions most impressive hire cars, a 1960 Cadillac convertible or 1958 Cadillac limousine.

Relax in style and comfort as your personal chauffeur takes you to some of the very best wineries and hidden treasures the Hunter Valley has to offer.

Perhaps chocolates, cheese or olives sound tempting? As our tours are fully flexible we can create your tour to suit.
